

i ♥ local

showing love to local business.

Now through Valentine's Day AM 770 is doing a drive to support locally owned businesses in Southwest VA. Our message to our listeners will encourage them to "shop local" at least once a day from now through Valentine's Day.
(and year-round).

New advertising purchased during the campaign will magically double. *Commit to a 6-month or 1-year contract and the magic can last the whole year with even more savings.
*(*save 5% for 6 month and 10% for a 1 year contract.)*
